HONOUR THY MOTHER

LOVE DREAMS

BY

W. N. LaMANCE

THE LOVE POET

Here is a collection of love poems and songs by one author which you will find difficult to surpass.

Several of the poems contained herein have won national recognition and acclaim. Several of them have won first or second places in national poetry contests.

These poems are free from slang. They are beautiful and cultural. You are invited to observe the vocabulary.

Occasionally you will find his approach a bit unusual---but never out of keeping with the versatility of his subject.

He is a member of the National Song Writers Guild in Hollywood.
